The Chamber of Industry and Commerce for Munich and Upper Bavaria is part of the European Union-funded Interreg project C-TEMAIp (Continuity of Traditional Enterprises in Mountain Alpine Space Areas), together with ten other partner organizations located in eight different Alpine regions.

The project aims to improve the conditions of cross border business transfer in the regions of the Alpine Space area. A network of intermediary organization has been therefore established to support SME of the concerned area with dedicated cross border business transfer services. A transnational team of experts is moreover at disposal to facilitate contacts and relationships among potential buyers and sellers at transnational level.
